McKinney Cites Unity of Democrats

SPRINGFIELD, Ill. — Frank E. McKinney, outgoing national Democratic chairman, proclaimed his party united 100 per cent for the first time in 12 years, but he has run into a flat contradiction from the side of Gov. Adlai Stevenson over his going to run Stevenson's 1952 presidential campaign.

McKinney told a news conference yesterday, "There can be only one general and he is the chairman of the Democratic National Committee."

But Wilson Wyatt, Stevenson's personal campaign manager, who attended the conference, said "The campaign is under the direction of the state government, and there is only one general and he is the chairman of the Democratic National Committee."

BUICK'S POWER STEERING?
It's the big NEWS of the year

There is a host of things that endear a
ROADMASTER to anyone who loves to
drive. There's the might of its Fireball 8 Engine—
the most powerful ever put in a Buick.
There's the thrill of its Airpower carburetor—
a four-barrel automatic that literally brings
increased power right out of thin air.
There's its bushed and luxurious interior—its
power windows and level ride that cost a million dollars
in Buick—its infinite smoothness of its
Continental Drive.
There's the thing that has brought the most cheers
and the most obedient beauty is Buick's very
own "Power Steering."
There's the ease of turning, parking, maneuver-
ing.
There's the feeling of taking over the effort of turn-
ing the front wheels—makes it a one-hand
job.

You definitely do not. On the open road, you
have that same sure sense of command that
you've always had. Coming out of a curve,
you can loosen your grip, and the front wheels
right themselves just as they do on every Buick.
But you'll notice this: When you suddenly hit
loose dirt or sand—or a stretch of rough road—
Power Steering smoothly goes into action—
helps take up the jerk—makes control of the
wheel easier and driving safer.
Wouldn't you like to try out this newest wonder
—on a ROADMASTER or a SUPER? You say the
word, and we'll do the rest.

Equipment, accessories, trim and model are subject to change
without notice. *Optional at extra cost on Roadmaster and
Super only.

Learn to drive all over again
with this new Buick feature?

Mexico Jails Chinese With \$25 Millions

Continued From Page One

MEXICO CITY (AP)—All hands
settled down today for a long ex-
tended fight in the Mexican Chi-
nese general, five to 25 million dol-
lars and a blonde secretary.
Nationalist China ordered a for-
mer President of Mexico as an at-
tempt to help it get back either La
Cruz, Ping-Tsu Mow or one million
it claimed he grabbed after having
been given them to buy arms.
Mao was formerly chief of a
Chinese Air Force purchasing mis-
sion in Washington. In an earlier
post here, the Chinese Kuo-
sheng government claimed he failed to
account for \$25,000,000 of Air
Force equipment funds.
With them in fact were Oliver M.
Kasich, an American who has been
living here, and Pedro Casar
Acho, a Mexican. They were pub-
lished Saturday in Cuernavaca, where
Mao has been living since he left
Mexico.

Chairman Martinale points out
where such operations were car-
ried out this year more farmers
are participating in the conser-
vation program than ever before,
and more effective practices are
being carried out to protect, con-
serve, and build up the soil.

Mob-Minded Egypt
Warned to Bo Good
CAIRO, Egypt (AP)—Mob-minded
Egyptians had warning today to
keep still or run the risk of hang-
ing.
The country's military com-
mander announced last night any
attempt at disturbances would be
considered high treason, an offense
punishable by death.
The announcement from Maj.
Gen. Mohammed Naguib, Army
chief of staff and architect of the
recent military coup d'etat, fol-
lowed a labor riot outside Alex-
andria yesterday in which five to
seven persons died.
Reportedly the rioters, who at-
tacked a textile plant, demanded
higher pay. A military inquiry
court was rushed to Alexandria to
seek out and punish the instigators.
Local authorities also said 700
persons were under arrest or in-
vestigation for complicity in the riot.
It was the first public distur-
bance since Naguib and the Army
instilled Premier Ali Maher and
forced ex-King Farouk to abdicate
three weeks ago.
Naguib in his communique said
the riots were started by traitors
and criminals who, by the acts
of violence, created a threat to
Egyptian life and property.
The U. S. earlier this year.
Atty. Gen. Louis Felix Canudas
said now has been accused by the
Chinese nationalists of "improp-
erly abstracting documents, defraud-
ing the government and the robbery
of more than five million dollars."
The others are charged as accom-
plices, Canudas added.
Newspaper reporters who were in-
nocent of any wrong doing. His ar-
rest, he said, was due to a "poli-
tcal error." He claimed the govern-
ment had brought the Washington
suit because "I was beginning to
show up too many heads in Wash-
ington." He gave no further explanation.
The Chinese general also said he
considered himself safe from any
legal action at present because that
suit still is pending in U. S. courts.
Mao explained that Miss Kelley
had been his secretary for several
years and "it was only natural that
she should come to Mexico with me."

Shirley Portes Gill, a former
Mexican President, is the attorney
for the Chinese Nationalist Presi-
dent, which is pressing the suit.
An action against Mao, Miss Kel-
ley takes at least a year. It is the
second in a series of suits filed by
the Chinese against the U. S. gov-

Information on First Graders
This is the sixth of a series
of seven articles that will be
published daily entitled "Is My
Child Ready for School?" It
is a series that will be helpful
to some help to parents who
have children that will enter
school in September.
JAMES H. JONES,
Superintendent of schools
"Is My Child Ready for School?"
We cannot assume that all five
and six-year old children are re-
ady for school. Some will be
easily and willingly while others
come hesitatingly and abash-
edly.
Most parents would like to know
how their child will react to
school entrance so their child can
take this experience in his stride.
The child who takes school en-
trance in his stride usually has
standing on his own feet, is con-
fident, is not afraid to decide upon
readiness for school by compar-
ing a child with the neighbors or
friends, and is a reasonable
child. Personal ability and past ex-
periences will determine to a large
degree the child's reaction to
school. Different body structures,
personalities and home environ-
ment will affect the type of school
response. These responses are
bound to differ since each child
has been a unique individual from
birth. A great deal, being out-
wardly, being alone and having de-
veloped independence, while others
have been brought up in a family
with a few hours. Some
children grow up with several
brothers and sisters and at least
with another child, while others
have spent most of their lives
being alone and have de-
veloped independence, while others
have been brought up in a family
with a few hours. Some

BUICK'S POWER STEERING?
It's the big NEWS of the year

There is a host of things that endear a
ROADMASTER to anyone who loves to
drive. There's the might of its Fireball 8 Engine—
the most powerful ever put in a Buick.

There's the thrill of its Airpower carburetor
—a four-barrel automatic that literally brings
increased power right out of thin air.

There's its bushed and luxurious interior—its
leather and level ride that cost a million dollars
in Buick—its infinite smoothness of its
Continuum Drive.

There's the thing that has brought the most cheers
and the most obedient beauty is Buick's very
own "Power Steering."

There's the ease of turning, parking, maneuvering
—the front wheels—makes it a one-hand
operation.

The county convention will be held at 10 a. m. Monday, August 18, 1952 in the Court House, at Hope. At this convention the delegates will elect a county committee and a county central committee. Both committees will take office Sept. 1, 1952.

In the coming year, the county committee will visit each farm in their community to help the farmer to concentrate on his business.

Chairman Martin points out where such operations were carried out this year more farmers are participating in the conservation program than ever before, and more effective practices are being carried out to protect, conserve, and build up the soil.

Mob-Minded Egypt
Warned to Bo Good
CAIRO, Egypt (AP)—Mob-minded
Egyptians had warning today to
keep still or run the risk of hang-
ing.

The country's military com-
mander announced last night any
attempt at disturbances would be
considered high treason, an offense
punishable by death.

The announcement from Maj.
Gen. Mohammed Naguib, Army
chief of staff and architect of the
recent military coup d'etat, fol-
lowed a labor riot outside Alex-
andria yesterday in which five to
seven persons died.

Reputedly the rioters, who at-
tacked a textile plant, demanded
higher pay. A military inquiry
court was rushed to Alexandria to
seek out and punish the instigators.

Local authorities also said 700
persons were under arrest or in-
vestigation for complicity in the
riot.

It was the first public distur-
bance since Naguib and the Army
instilled Premier Ali Maher and
forced ex-King Farouk to abdicate
three weeks ago.

Naguib in his communique said
the riots were started by traitors
and criminals who, by the acts
of violence, created a threat to
Egyptian life and property.

He said the country was in a
state of emergency and that he
was taking the necessary steps to
maintain order.

BUICK'S POWER STEERING?
It's the big NEWS of the year

There is a host of things that endear a
ROADMASTER to anyone who loves to
drive. There's the might of its Fireball 8 Engine—
the most powerful ever put in a Buick.

There's the thrill of its Airpower carburetor
—a four-barrel automatic that literally brings
increased power right out of thin air.

There's its bushed and luxurious interior—its
finest seat level ride that cost a million dollars
in Buick—its infinite smoothness of its
Continuum Drive.

There's the thing that has brought the most cheers
and the most obedient beauty is Buick's very
own "Power Steering."

There's the ease of turning, parking, maneuvering
—the front wheels—makes it a one-hand
job.

There's the ease of learning to drive all over again
—the front wheels—makes it a one-hand
job.

There's the ease of learning to drive all over again
—the front wheels—makes it a one-hand
job.

There's the ease of learning to drive all over again
—the front wheels—makes it a one-hand
job.

Mexico Jails
Chinese With
\$25 Millions

Continued From Page One

MEXICO CITY (AP)—All hands
settled down today for a long ex-
tended fight in the Mexican Chi-
nese general, five to 25 million dol-
lars and a blonde secretary.

Nationalist China ordered a for-
mer President of Mexico as an at-
tempt to help it get back either La
Guang, Tung, or Mow or one million
it claimed he grabbed after having
been given them to buy arms.

Mao was formerly chief of a
Chinese Air Force purchasing mis-
sion in Washington. In an earlier
life he had been the Chinese Kan-
ton government claimed he failed to
account for \$25,000,000 of Air
Force equipment funds.

Mob-Minded Egypt
Warned to Bo Good

CAIRO, Egypt (AP)—Mob-minded
Egyptians had warning today to
keep still or run the risk of hang-
ing.

The country's military com-
mander announced last night any
attempt at disturbances would be
considered high treason, an offense
punishable by death.

The announcement from Maj.
Gen. Mohammed Naguib, Army
chief of staff and architect of the
recent military coup d'etat, fol-
lowed a labor riot outside Alex-
andria yesterday in which five to
seven persons died.

Reportedly the rioters, who at-
tacked a textile plant, demanded
higher pay. A military inquiry
court was rushed to Alexandria to
seek out and punish the instigators.
Local authorities also said 700
persons were under arrest or in-
vestigation for complicity in the riot.

It was the first public distur-
bance since Naguib and the Army
instilled Premier Ali Maher and
forced ex-King Farouk to abdicate
three weeks ago.

Naguib in his communique said
the riots were started by traitors
and criminals who, by the acts
of violence, created a threat to
Egyptian life and property.

He said the country was in a
state of emergency and that he
was taking the necessary steps to
maintain order.

The Chinese general also said he
considered himself safe from any
legal action at present because that
suit still is pending in U. S. courts.

Now explained that Miss Kelley
had been his secretary for several
years and "it was only natural that
she should come to Mexico with me."

Shirley Forbes Gill, a former
Mexican President's secretary, is
the woman who is the subject of the
suit, which is pending in the U. S.
An action against her was filed in
the U. S. court in San Francisco in
June 1951.

The suit is for \$25,000,000, the
amount of the suit.

BUICK'S POWER STEERING?
It's the big NEWS of the year

There is a host of things that endear a
ROADMASTER to anyone who loves to
drive. There's the might of its Fireball 8 Engine—
the most powerful ever put in a Buick.

There's the thrill of its Airpower carburetor
—a four-barrel automatic that literally brings
increased power right out of thin air.

There's its bushed and luxurious interior—its
power windows and level ride that cost a million dollars
in Buick—its infinite smoothness of its
Continuum Drive.

There's the thing that has brought the most cheers
and the most obedient beauty is Buick's very
own "Power Steering."

There's the ease of turning, parking, maneuvering
—the front wheels—makes it a one-hand
job.

There's the ease of learning to drive all over again
—the front wheels—makes it a one-hand
job.

There's the ease of learning to drive all over again

Mexico Jails
Chinese With
\$25 Millions

Continued From Page One

MEXICO CITY (AP)—All hands
settled down today for a long ex-
tended fight in the Mexican Chi-
nese general, five to 25 million dol-
lars and a blonde secretary.

Nationalist China, which has
been President of Mexico as at-
torney to help it get back either 10
million dollars or 25 million dol-
lars, has been arrested after having
been given time to buy arms.

Mexico was formerly chief of a
Chinese Air Force purchasing mis-
sion in Washington. In an earlier
stage, the Chinese government claimed
to have been arrested after having
been given time to buy arms.

Arkansas Little Leaguers Win

NATCHEZ, Miss., Aug. 13

Arkansas Little League team won the Region Seven championship in Little League baseball today when Hickory Donald Dugan clinched a home for a 3-1 victory over Natchez.

With the score 1-1 in the seventh inning, Dugan scored the winning run. Little Rock then tied the game with three runs on three hits and two errors.

Brooklyn's Vero Beach, Fla., training camp. He was in great shape as he had spent the off-season pitching in the Cuban Winter League. He was tabbed as the best to take up the slack caused by Newcomb's entry into the Army.

Black was the first to scratch that he wasn't in the same class as Newcomb but the 28-year-old pitcher has contributed to the team in the past.

It is doubtful if the Dodgers would be leading the National League in 37 games today if it weren't for Black. Used entirely in relief roles, the Dodger recruit has appeared in 17 games, being used as a pinch hitter and saving several others. His record is even more impressive as he has pitched only 6 games since the beginning of June. Since then he has worked in 31 of Brooklyn's 69 games.

Black took part in both ends of yesterday's night doubleheader, pitched the remaining New York Giants. He gained credit for the 34 day game triumph and was named for two uncured runs in the 4-1 night game defeat.

Chicago and Cincinnati and Philadelphia and Boston also split doubleheaders. The Cubs dropped the opener to the Reds, 11-3, but won the second game, 7-6. Philadelphia whipped the Braves, 3-0, but lost the second game, 1-0.

The New York Yankees retained their 2 1/2 game lead over Cleveland in the American League chase, losing a bargain ball with Washington while Cleveland halved a pair with the St. Louis Browns.

Washington defeated the Yankees, 12-4, in the opener but lost the second game, 1-0, to the Yankees.

The Browns tripped a doubleheader and the Indians, 5-2, but Cleveland bounced back to win the second game, 1-0.

The Red Sox turned back Chicago White Sox crushed Detroit, 7-1.

Black took over in the eighth inning of the second game of the doubleheader and pitched a perfect game in the ninth when he induced Hank Thompson to hit into a force play with the bases loaded and two out.

Pee Wee Reese singled home Gil Hodges in the eighth inning to win the game with the deciding run.

Bubba Church cruised to victory in the opener, 10-0, as he pitched a perfect game.

Old Joe Duvon turned back the Tigers on four hits to post his 11th conquest for Chicago.

Lefty McPhee and Clyde Volmer teamed up to lead the Red Sox to victory over the A's. Park, Detroit, won the opener, 1-0, but Volmer drove in three runs on a homer and two singles.

Remember Ladies Aug. 15 Old Maid's Day

BY MARTHA COLE
HOPE, Ark., Aug. 15.—(By the way, you had better get out your old maid's dress for the annual Old Maid's Day celebration, which will be held in the city square on Friday, August 15th.)

The old maid's day has been so successful in the past that it is almost a tradition. The celebration is the big day of the year for the old maids of the city. It is a day when the old maids can show off their wits and their sense of humor. It is a day when the old maids can have a good time and a good laugh.

Stevenson, Eisenhower Debate Sought; AFL Attacks Ike's Views
Democratic Chairman Raises the Possibility Union Likely to Openly Back Stevenson

WASHINGTON (UP)—Democratic National Chairman Stephen A. Mitchell raised the possibility today that Gov. Adlai E. Stevenson might challenge Dwight D. Eisenhower to television debates on presidential campaign issues.

He emphasized, however, that Stevenson is running his own campaign and will decide personally whether to challenge his Republican adversary to face-to-face TV encounters.

Republicans for the time being are concentrating on the White House race between Eisenhower and Stevenson, and Eisenhower's rejection of Stevenson's challenge.

Stevenson's challenge was a surprise. He had been expected to support Eisenhower in the election.
